

The Conduit

Rucola

Rucola means “rocket” in English. The restaurant celebrates **Italian-inspired cuisine**, where classic flavours are reimagined with a fresh, seasonal, and thoughtful approach.

At Rucola, we are passionate about flavour and compassionate about the planet. We source intentionally, locally and sustainably, using our buying power to champion ethical suppliers.

We are proud to be a net carbon neutral restaurant, achieved through careful menu curation – rejecting high-emissions ingredients and putting more plants on plates – and responsible offsetting.
